BBQ JUDGE INFORMATION

Thank You for volunteering your time and choosing to judge our 5th annual Smoke in the Spring State BBQ Championship on April 11-12. Below is additional contest judging information.

CONTEST PARKING

There is no parking available within Jones Park. Parking will be available on South 2nd Street, which runs next to the Osage City Aquatic Center. Judges can also park along the city streets. Please obey all traffic laws.

BBQ JUDGE CHECK-IN

BBQ judge check-in is from 10:00am - 10:30am, Saturday, April 12, in the O CPR Building at Jones Park.

We ask that husband/wives, boyfriend/girlfriend, and close friends separate and do not sit at the same table.

Each judge will receive a Smoke in the Spring "goodie bag", which includes: a Smoke in the Spring pen, a Smoke in the Spring can coozie, a Smoke in the Spring BBQ apron, a Smoke in the Spring lapel pin, and various items from local Osage City businesses.

BBQ JUDGE MEETING

Once everyone has checked in and we have enough judges for the contest, we will have the judge's meeting. This meeting starts at 10:30am, inside the O CPR Building. The judge meeting is led by the KCBS Contest Representatives. The KCBS Reps will discuss how to judge each class, how to document your scores, and will answer any questions you have about judging.
